

## **CHILDREN**

The methodology of learning at this so young ages is based on spoken English, songs, stories, symbolic play, drama, repetition... We combine fun with learning.

Small ones are like sponges, they learn very fast. Kids can come 1-2 or 3 hours per week.

## **TEENAGERS / YOUNG PEOPLE**

To speak English is absolutely necessary as time goes on. The educational system and society in general needs young entrepreneurs to master this language.

At the **New York Institute** we prepare our students for exams such as PET, KET, B1,B2, FCE , CAE among others.

## **QUALIFICATION SYSTEM AT NYI**

For Christmas, Easter and summer we give a report card with final grades from the results of the tests we do in the center.

## ADULTS

We like to help adults improve their English working in small groups.

We distinguish the following levels for adults:

- **INITIAL** I don't understand or speak any English.
- **ELEMENTARY** I can understand and speak basic English.
- **Level A2** I can understand and speak lower intermediate level of English.
- **Level B1** I speak well but not fluently.
- **Level B2** I feel confident understanding and speaking, but I make mistakes when speaking.
- **C1** I can speak with confidence even though I still have some doubts sometimes.
- **PROFICIENCY - Level C2** I speak English fluently and understand everything.

## BUSINESS ENGLISH

We teach in the same company and we adapt to everything the company specifically asks.

We teach small groups or also in private classes in the companies where we go.

We can focus on specialized English (business English , commercial English...)

## CAMBRIDGE EXAMS AND INSTITUTE FOR NORTH AMERICAN STUDIES (IEN) EXAMS

At the **New York Institute** we prepare for Cambridge exams and the Institute for North American Studies.

We help to prepare for K.E.T, P.E.T, F.C.E. and C.A.E. and Proficiency in both British English and American English.
